May 13, 2016

To whom it may concern,

“Chadwick’s Fancy Elsa of Olaf” had radiographs done here for hips and elbows on May 13, 2016. This letter is to certify that in my opinion the radiographs at this time show that the dog’s hips and elbows are good.

Sincerely,

Dr. Robert Rizon

Dog: Chadwick’s Fancy Elsa of Olaf  
Age: 11-30-2014
